

Dear Neighbors,

During this incredibly challenging time, our Board of Directors have voted to waive all Membership Dues for 2020. April is typically the time that we begin the annual membership drive leading up to the beloved 7th Heaven Street Fair that has taken place for 45 consecutive years on Father's Day. Sadly, it is highly probable (final decision pending at City/State level) that we will need to postpone the 46th 7th Heaven Street Fair until 2021.

At this time we would also like to invite any and all merchants, services, artists that are not a 7th Avenue storefront shop or represented by the 5th Avenue BID, or are home based and serving Park Slope, to log in and create their account for the 2020 year. Everyone is welcome here.

Please always feel free to contact us directly at: [info@parkslopechamber.com](mailto:info@parkslopechamber.com).
